Revenue & General Departments

Sir,

I most humbly beg to represent that I was working in the City Municipality from 1st April 1873. On October 1903 I had completed 30 years full service and my age was 60 years I was not willing to continue in the service but wanted to retire by taking pension. I gave an application for leave in September 1903. If that leave was sanctioned I wanted first to settle my private family affairs and then apply for retirement. In the meanwhile, while I was on leave, the Municipal President has retired me from the service without my knowledge.

Under these circumstances I most humbly beg that your honor will be graciously pleased to sanction my full pension according to the rules without any loss to me as if I had retired Voluntarily. I beg permission here to add mee again that I left the department only after completing 30 years full and complete Service and that I was in no way to be blamed.

Begging to be pardoned for the trouble.

I beg to remain
